

Premium Marine Supply

Beyond Supplies, We Power Your Journey

24/7 Supply

Trusted
by Global Ship Owners &
Operators

Who We Are?

Lumar World is a premium, next-generation marine supply company based in Dubai, delivering world-class provisions, bonded stores, technical supplies, and tailored marine solutions across the UAE, the Middle East, and beyond.

We specialize in supplies to all types of vessels, from yachts, commercial ships and cruises to offshore units — ensuring reliability, quality, and logistical expertise every step of the way.

We go beyond basic supply, we deliver quality, reliability, and peace of mind.

Our dedication to service excellence, strong supplier network, and customer-centered approach make us a preferred partner across the region.

What We Supply

We offer a comprehensive range of **fresh, frozen, dry, and bonded provisions**, sourced from trusted suppliers and handled under strict cold-chain and hygiene controls.

Temperature-controlled dry, chilled, and frozen storage ensuring full cold-chain integrity

Air-conditioned warehouse for optimal climate control

High-density premium racking system for efficient organization and rapid access

Dedicated repack, sorting, and hygiene inspection zones maintaining strict quality standards

Built for high-volume, high-speed operations, enabling fast turnaround for urgent vessel requirements

Where We Stand Above The Rest

01

Premium Quality Provisions

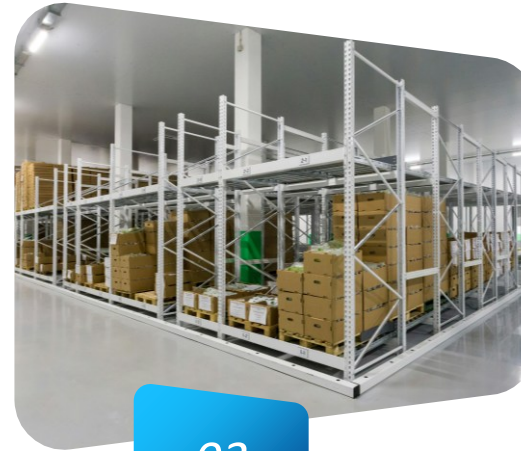

Fresh, safe, and consistently high-grade products sourced and handled to meet international maritime standards.

02

Technical & Deck Stores

Comprehensive supply of essential tools, consumables, and safety gear to keep every vessel fully operational.

03

Temperature Controlled Warehousing

Strict cold-chain integrity ensuring all products—dry, chilled, and frozen—maintain peak quality from storage to delivery.

04

24/7 Delivery to every UAE Port

Round-the-clock readiness with rapid dispatch capabilities covering all major ports and offshore anchorages.

Our Certification & Memberships

Lumar World operates under internationally recognized food safety systems that ensure reliability, transparency, and full regulatory compliance.

Our **ISO 22000** and **HACCP** certifications reflect our rigorous commitment to hygiene, product integrity, and traceability across the entire supply chain.

In addition to our certified processes, we are fully integrated with leading maritime procurement platforms such as **MESPAS** and **ProcureShip**, enabling seamless digital transactions, faster RFQ processing, and enhanced visibility for our clients worldwide.

These standards and systems together demonstrate our dedication to delivering safe, high-quality, and efficiently managed marine supplies with consistency and professionalism.

Our Commitment to Quality

Quality Sourcing

Through our extensive and dependable supplier network, we ensure that every vessel receives only the highest-quality products.

Efficient Coordination

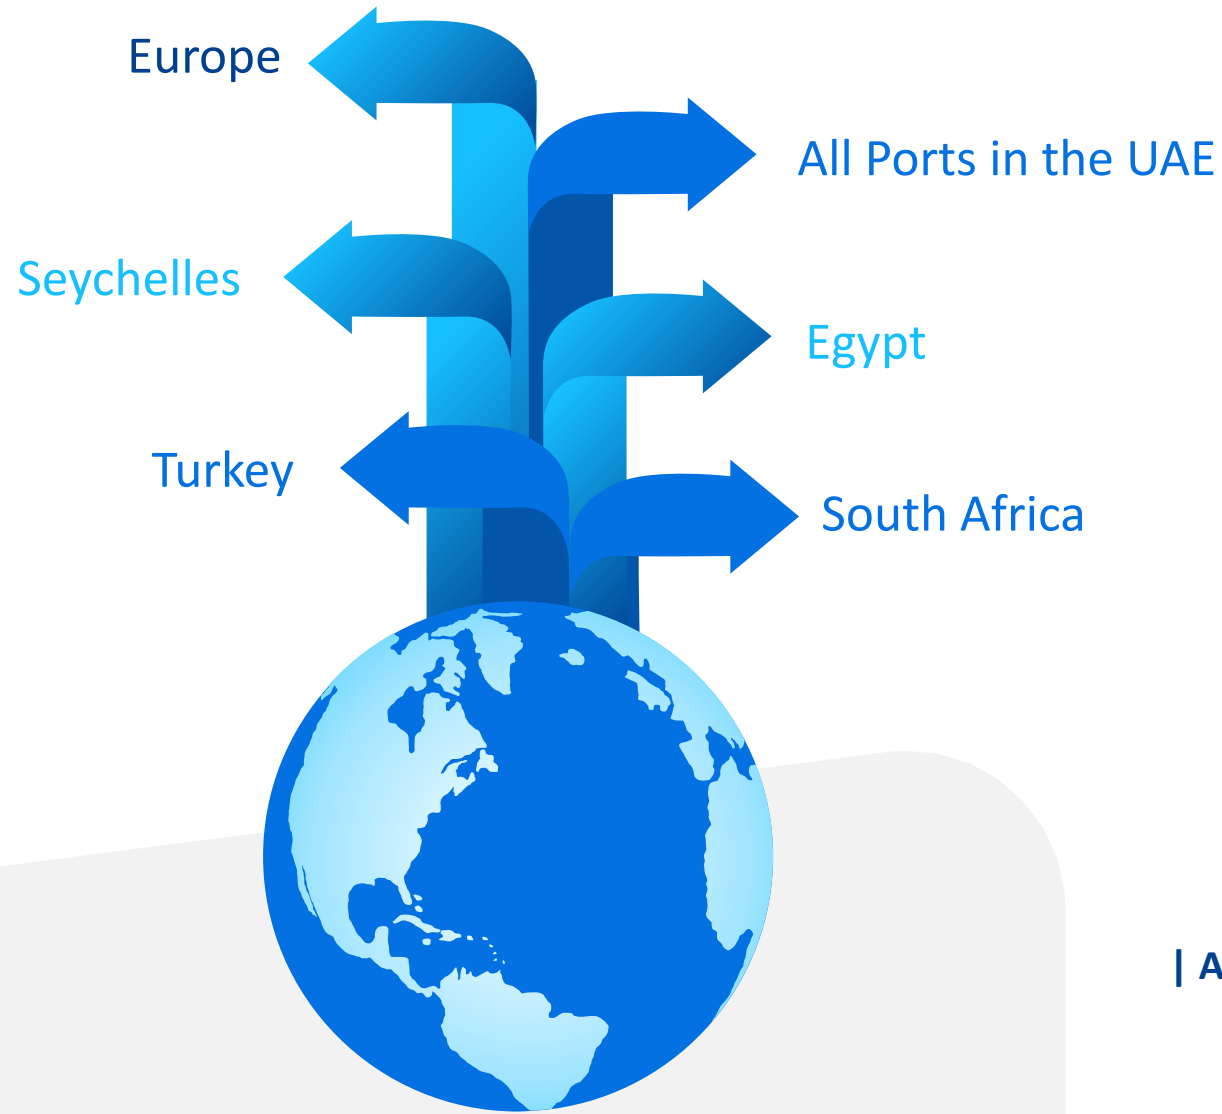

We maintain constant communication with vessel representatives and suppliers to guarantee every requirement is handled efficiently.

Complete Provisioning

We are your single partner for all needs, from fresh and dry provisions to non-food essentials.

Timely Delivery

Our team works 24/7 to ensure your supplies are delivered on time and according to specification, supporting the non-stop needs of the maritime industry.

Our Reach

Our logistics network is built for **speed, reliability, and full national reach**, enabling us to supply vessels across every major port in the United Arab Emirates.

Whether alongside, at anchorage, or requiring urgent resupply, we deliver with precision and efficiency.

Service Excellence

✓ **Consistency in product quality**

Every order is sourced, inspected, stored, and delivered under strict controls to ensure freshness, integrity, and uniformity across all product categories.

✓ **Accurate documentation**

From invoices and packing lists to certificates and compliance records, all documentation is precise, complete, and aligned with port and client requirements.

✓ **Transparent pricing**

Clear, honest costing with no hidden charges. Clients receive fair and predictable pricing backed by responsible sourcing and efficient operations.

✓ **Fast turnaround**

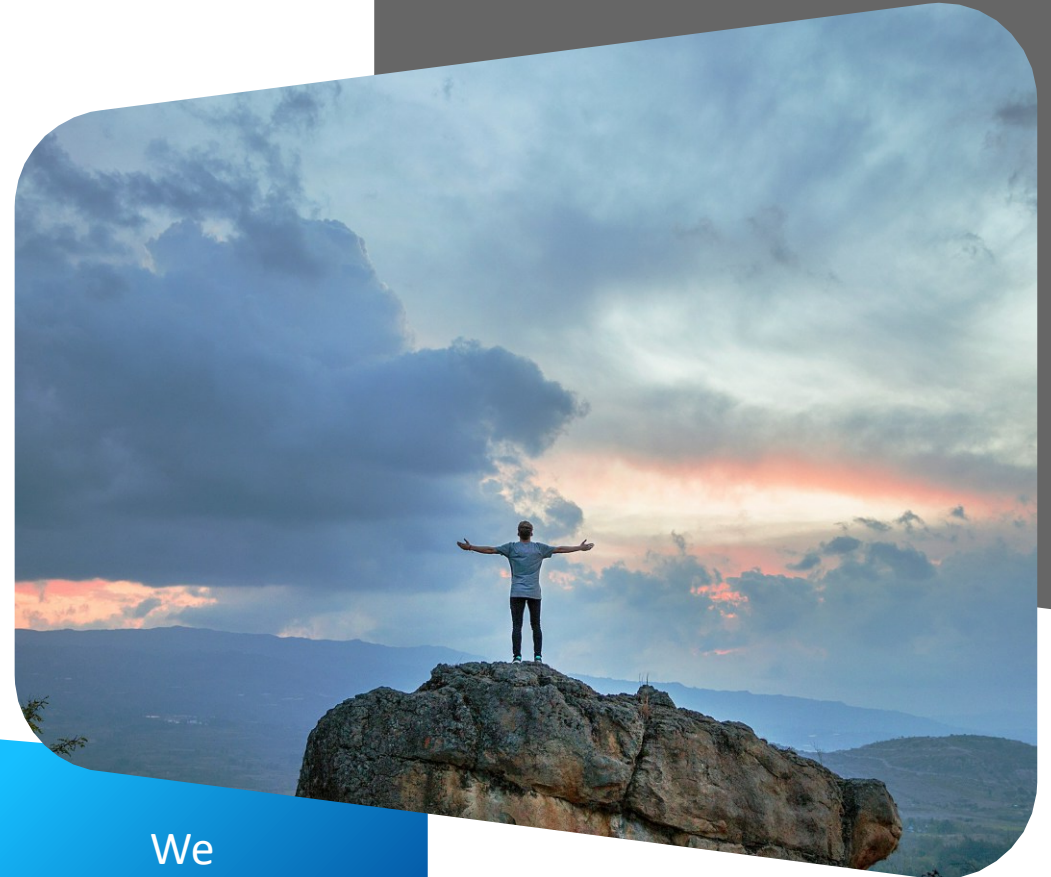

Our optimized workflows and 24/7 operational readiness enable rapid response to urgent vessel calls—minimizing downtime and meeting tight port schedules.

✓ **Zero-compromise safety standards**

ISO 22000 and HACCP systems guide every step, ensuring product safety, hygiene, traceability, and compliance with UAE and international regulations.

✓ **Responsive communication**

Dedicated support teams provide timely updates, proactive coordination, and seamless interactions from order placement to onboard delivery.

We
Guarantee

Why Clients Trust Us?

We ensure Guests and Crew receive
fresh, safe, premium provisions

- **We operate with integrity**

Every interaction, every delivery, and every commitment is grounded in transparency, honesty, and accountability. We uphold the highest ethical standards in all our dealings.

- **We deliver exactly what we commit**

Reliability is our promise. Orders are fulfilled accurately, on time, and to the exact specifications agreed upon—no substitutions, no compromises.

- **We maintain the highest hygiene standards**

Our ISO 22000 and HACCP frameworks govern every step—receiving, storage, repacking, and delivery—guaranteeing safe, hygienic, and fully traceable food handling processes.

“Marine supply is not a transaction.
It is a responsibility.”

We treat every vessel call with urgency, precision, and respect.

Our Vision

To become the UAE’s most trusted and admired ship chandler — known for uncompromising quality, certified safety, and rapid, reliable service across all ports.
